Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner inquired as to whether "number", in the last line of claim 16, should be replaced with --data-- or --identifier--. Mr. Macdonald indicated that "number" should be replaced with --identifier-- and authorized an examiner's amendment to make the change. The examiner's amendment was necessary in order to clarify claim 16, thereby removing any possible claim objection and/or rejection under 35 U.S.C. 112 2nd paragraph.
